

Major Employers

CooperIndustries.com

Cooper Lighting Solutions delivers an industry-leading portfolio of indoor and outdoor lighting, lighting controls, and smart lighting systems, as a business unit of Signify, a world leader in lighting.

MAGNOLIA MANOR
MagnoliaManor.com

The organization's nine campuses meet the needs of almost 1,500 individuals in areas of independent living, personal care, assisted living, catered care, skilled nursing care, Alzheimer's, and specialized memory care; Magnolia Manor's family includes 1,300 employees dedicated to this United Methodist Ministry.

These industry giants are just a few of the superior companies that chose Sumter County for their business. Select Sumter County:

- Expedited delivery to domestic markets by extensive rail systems and access to major U.S. interstate highways.
- The ability to export via deep-water seaports in Savannah and Brunswick.
- A competitive workforce through Sumter's various academic programs and customized training.

With 16 production sites across six countries spanning Europe, North America, Africa, and China, Imerys Refractory Minerals offers a complete range of materials for the Refractory, Foundry, and Investment Casting industries.

**GEORGIA SOUTHWESTERN
STATE UNIVERSITY**

GSW.edu

SouthGATech.edu

Both the university and college are large employers and definite economic drivers. They are significant community supporters who also provide tremendous value with direct and indirect spending.

SUMTER COUNTY SCHOOLS

The Sumter County School District is the largest employer in Sumter County. Its economic impact includes monthly payroll (Gross Wages) for 950 full-time personnel. The school system supports 4,700 students. A replacement high school (rendering below) is ready to accept students.
